TEMPO, MTV'S NEW CARIBBEAN NETWORK!**

**VIDEO FEATURES A CAMEO FROM VIRGIN EMPIRE FOUNDER,  
SIR RICHARD BRANSON**

July 24, 2006, Atlanta GA – "**Sexy Waist**," the video to British Virgin Islands breakout group **ELVIS WHITE**'s Caribbean/International hit single, is now in rotation at **TEMPO**, MTV NETWORKS' new television network dedicated to Caribbean music and culture. **TEMPO** launched in the Caribbean in October 2005.

The "**Sexy Waist**" video, which was shot on location at the Trinidad Carnival earlier this year by director, J. Jesses, features the colorful imagery of Carnival, including the elaborate costumed masqueraders, scenes from the legendary Trinidad Road March and the most sought after vision in the Caribbean, the Goddesses of Carnival. These enticing women have become a staple of the beautiful culture of Carnival across the Caribbean. The video also features cameo appearances from legendary music icon Peter Gabriel, and **ELVIS WHITE**'s BVI neighbor, close friend, and #1 fan, Virgin Empire founder, Sir Richard Branson.

"**ELVIS WHITE** has the ability to appeal to a wide variety of people and will have many coming back for more! The world is about to experience one of the true musical gems of the Caribbean."

Sir Richard Branson
